Between the Devil and the Deep Blue Sea

On the tenth anniversary of the date that UN peacekeepers landed in Rwanda, Random House Canada is proud to publish the unforgettable first-hand account of the genocide by the man who led the UN mission. Digging deep into shattering memories, General Dallaire has written a powerful story of betrayal, naïveté, racism and international politics. His message is simple and undeniable: “Never again.” When Lt-Gen. Roméo Dallaire received the call to serve as force commander of the UN intervention in Rwanda in 1993, he thought he was heading off on a modest and straightforward peacekeeping mission. Thirteen months later he flew home from Africa, broken, disillusioned and suicidal, having witnessed the slaughter of 800,000 Rwandans in only a hundred days. In Shake Hands with the Devil, he takes the reader with him on a return voyage into the hell of Rwanda, vividly recreating the events the international community turned its back on. This book is an unsparing eyewitness account of the failure by humanity to stop the genocide, despite timely warnings. Woven through the story of this disastrous mission is Dallaire’s own journey from confident Cold Warrior, to devastated UN commander, to retired general engaged in a painful struggle to find a measure of peace, reconciliation and hope. This book is General Dallaire’s personal account of his conversion from a man certain of his worth and secure in his assumptions to a man conscious of his own weaknesses and failures and critical of the institutions he’d relied on. It might not sit easily with standard ideas of military leadership, but understanding what happened to General Dallaire and his mission to Rwanda is crucial to understanding the moral minefields our peacekeepers are forced to negotiate when we ask them to step into the world’s dirty wars. Excerpt from Shake Hands with the Devil

My story is not a strictly military account nor a clinical, academic study of the breakdown of Rwanda. It is not a simplistic indictment of the many failures of the UN as a force for peace in the world. It is not a story of heroes and villains, although such a work could easily be written. This book is a cri de coeur for the slaughtered thousands, a
tribute to the souls hacked apart by machetes because of their supposed difference from those who sought to hang on to power. . . . This book is the account of a few humans who were entrusted with the role of helping others taste the fruits of peace. Instead, we watched as the devil took control of paradise on earth and fed on the blood of the people we were supposed to protect.

**Between the Devil and the Deep Blue Sea**

Originally written in 1938 but never published due to its controversial nature, an insightful guide reveals the seven principles of good that will allow anyone to triumph over the obstacles that must be faced in reaching personal goals.

**The Devil Between Us**

A widely respected ecological scientist and activist draws on the poet's image and his own environmental research to demonstrate the many interconnections among the world's ecosystems. John Harte takes us from Alaskan salmon runs and the Florida everglades to South Pacific coral reefs and the bleak Tibetan plateau. The result is that rare book that bridges the cultures of science and art. Lyrical, vivid portraits of natural wonders and the threats to them are combined with precise scientific accounts of natural processes and their disturbances. The Green Fuse will show nonscientists the fascination of ecological detective work and renew scientists' love for the beauty of the world under their microscopes. Harte's stories illuminate, without sermonizing, the damage to natural systems brought about by technological hubris and calculated political ruthlessness. "The green fuse" symbolizes the basic unity behind natural diversity. But a fuse may also be the weak link in an overloaded system or the slow burning wick on an ecological bomb. As The Green Fuse reminds us, the energies that created human liberation from nature can also be those that lead to the human destruction of nature. **Between the Devil and the Deep Blue Sea**

This early work by Stephen Vincent Benét was originally published in 1937 and we are now republishing it with a brand new introductory biography. "The
Devil and Daniel Webster' is a short story about a successful lawyer who believes you can win your soul back from the devil. Stephen Vincent Benét was born on 22nd July 1898 in Bethlehem, Pennsylvania, United States. Benét was an accomplished writer at an early age, having had his first book published at 17 and submitting his third volume of poetry in lieu of a thesis for his degree. During his time at Yale, he was an influential figure at the 'Yale Lit' literary magazine, and a fellow member of the Elizabethan Club. Benét was also a part-time contributor for the early Time Magazine. Benét's best known works are the book-length narrative poem American Civil War, John Brown's Body (1928), for which he won a Pulitzer Prize in 1929, and two short stories, The Devil and Daniel Webster (1936) and By the Waters of Babylon (1937). Benét won a second Pulitzer Prize posthumously for his unfinished poem Western Star in 1944.

A biography of the free black man who became a wealthy Philadelphia sailmaker and active abolitionist.

Between the Devil and the Deep Blue Sea

A sequel to Between the Devil and the Deep Blue Sea finds Violet and Neely searching for the nefarious River through a sequence of frenzied towns before Violet begins to question Neely's trustworthiness. Simultaneous eBook.

Modern Challenges to Islamic Law

The story you are about to envelope is a tale untold, unheard, and unseen. It is a tale set thousands of years ago in the ancient times, a tale of a village, an evil king, a hero, and a deep blue sea. The village of Arutham, cursed by an invasion of the terrible King Asak and trapped by the realms of the deep blue sea, suffers for eighteen years hoping for freedom and fearing the kings wrath. King Asak rules countless villages and acquires wealth, as the devil haunts his villagers suffering from a prophecy that he fears from. The hero, Rozac Lons, an eighteen-year-old orphan living the life of a toymaker, awakens to fight and free his enchained villagers from the devil. The deep blue sea holds the dead bodies of the poor villagers, cursing the people of the village forever. From all of this comes a tale of a mans journey to free his villagers from a curse, a devil, and deep blue sea. It is the journey of unity, toil, dedication, and duty to work fearlessly and fight for truth.

Between the Spark and the Burn

"My dear fellow, myths are nothing but a less disturbing form of reality"--This volume contains short stories that have something in common: the element of the unexplained - or, to use another term, the uncanny. Such stories are characterized by their ambiguity, as they are offered neither as explicitly supernatural, nor as the result of mere hallucination or illusion of the senses. And that, ultimately, is what makes them unsettling, disturbing, and scary. You, the reader, are at the very core of this ambiguity - this haze area where reality and unreality meet. Do the stories portray supernatural events? Do they feature demons and ghosts? Perhaps they
are simply exemplifications of the frailty of the mind; sad, horrific manifestations of madness. The decision is entirely up to you, but make no mistake: there are no easy way-outs. The title of the book, 'Between the Devil and the Deep Blue Sea' functions as a reminder (dare one call it a warning?) that these stories involve impossible dilemmas that push the human mind to the edge of insanity. Nothing is what it seems – and this also applies to this book itself as the readers reaching the Epilogue will discover.

**Between the Devil and the Deep Blue Sea**

The Devil and Tom Walker by Washington Irving Classic Short Horror Stories - The Devil By his interest in popular legends the first of the great American writers shows his sympathy with the Romantic movement, which prevailed in his time in all the countries of Europe. His devil, however, has not been imported from the lands across the Atlantic, but is a part of the superstitions of the New World. The author himself did not believe in "Old Scratch." The real devils for him were the slave-traders and the witch-hunters of Salem fame. It is interesting now to read a contemporary critic of Washington Irving's devil-story: "If Mr. Irving believes in the existence of Tom Walker's master, we can scarcely conceive how he can so earnestly jest about him; at all events, we would counsel him to beware lest his own spells should prove fatal to him" (Eclectic Review, 1825). Few people in those days had the courage to take Old Nick good-naturedly. "Even the clever Madame de Stael," said Goethe, "was greatly scandalized that I kept the devil in such good-humour." The devil appears in many colours, principally, however, in black and red. It is a common belief in Scotland that the devil is a black man, as may also be seen in Robert Louis Stevenson's story "Thrawn Janet." There is no warrant in the biblical tradition for a black devil. Satan, however, appeared as an Ethiopian as far back as the days of the Church Fathers. The black colour presumably is intended to suggest his place of abode, whereas red denotes the scorching fires of hell. The devil was considered as a sort of eternal Salamander. In the New Testament he is described as a fiery fiend. Red was considered by Oriental nations as a diabolical colour. In Egypt red hair and red animals of all kinds were considered infernal. The Apis was also red-coloured. Satan's red beard recalls the Scandinavian god Donar or Thor, who is of Phoenician origin. Judas was always represented in mediaeval mystery-plays with a red beard; and down to the present day red hair is the mark of a suspicious character. The devil also appears as yellow, and even blue, but never as white or green. The yellow devil is but a shade less bright than his fiery brother. The blue devil is a sulphur-constitutioned individual. He is the demon of melancholy, and fills us with "the blues." As the spirit of darkness and death, the devil cannot assume the colours of white or green, which are the symbols of light and life. The devil's dragon-tail, according to Sir Walter Scott, of biblical tradition, coming from a literal interpretation of a figurative expression. A few interesting remarks on the expression "The Devil and Tom Walker" current in certain parts of this country as a caution to usurers will be found in Dr. Blondheim's article "The Devil and Doctor Foster" in Modern Language Notes for 1918.

**Between the Devil and the Deep Blue Sea**
Adair Turner became chairman of Britain's Financial Services Authority just as the global financial crisis struck in 2008, and he played a leading role in redesigning global financial regulation. In this eye-opening book, he sets the record straight about what really caused the crisis. It didn't happen because banks are too big to fail—our addiction to private debt is to blame. Between Debt and the Devil challenges the belief that we need credit growth to fuel economic growth, and that rising debt is okay as long as inflation remains low. In fact, most credit is not needed for economic growth—but it drives real estate booms and busts and leads to financial crisis and depression. Turner explains why public policy needs to manage the growth and allocation of credit creation, and why debt needs to be taxed as a form of economic pollution. Banks need far more capital, real estate lending must be restricted, and we need to tackle inequality and mitigate the relentless rise of real estate prices. Turner also debunks the big myth about fiat money—the erroneous notion that printing money will lead to harmful inflation. To escape the mess created by past policy errors, we sometimes need to monetize government debt and finance fiscal deficits with central-bank money. Between Debt and the Devil shows why we need to reject the assumptions that private credit is essential to growth and fiat money is inevitably dangerous. Each has its advantages, and each creates risks that public policy must consciously balance.

Between the Devil and the Deep Blue Sea

He should have thrown her out. But when club owner Alexander Lavoie catches a mysterious blonde counting cards at his vingt-et-un table, he's more intrigued than angry. He has to see more of this beauty—in his club, in his office, in his bed. But first he'll have to devise a proposition she can't turn down. Gossip said he was an assassin. Common sense told her to stay away. But Angelique Archer was desperate, and Lavoie's club offered a surefire way to make quick money—until she got caught. Instead of throwing her out though, the devil offers her a deal: come work for him. Refusing him means facing starvation, but with a man so sinfully handsome and fiercely protective, keeping things professional might prove impossible . . . 2018 RITA award-winning author! "Wonderful! A charming, clever, and engaging storyteller not to be missed." -- Sarah MacLean, New York Times bestselling author

Between the Devil and the Deep

In 1853, Jessica Pratt is only ten when her innocence is violently ripped away, revealing to her the cruelness of the real world. She flees, escaping the harrowing scene, finding herself lost and alone in the untamed Northern California wilderness. Fighting for survival in the unforgiving territory, each step puts her closer to peril, and further away from everything she has ever known. Jessica is drawn into the sacred world of a mentor who becomes her family—the mountain her home. But the nature of life is change, and happy endings don't last forever. When she loses everything again, she ventures off the mountain for the first time in years. Jessica becomes Jesse in an attempt to protect herself in ways she couldn't as a child. Soon, she finds herself at the mercy of emotions beyond her control in a world suddenly off kilter. Will Jesse maintain her new persona for her own
Get Free Between The Devil And The Deep Blue Sea

protection, or will she let down her guard and confess her true identity to an unlikely new love? In the end, it is fate that will decide.

**The Devil and the Deep Blue Sea**

Ames wants to escape from intercity gang life in the Mission District of San Francisco, which challenges his physical, emotional and spiritual life. Attempting to break out of the gang related activities in which he is involved; he has to rely on his inner strength. His journey takes him through dangers in gang fights, into the back streets of Hong Kong, to the city room of a newspaper where a deranged reporter wants to kill him, to missionary in Central America, to prison chaplain and to storms at sea. Shadowing his life is the feeling he will slip back to being as evil as he was in the street gang. In the church, he has a reputation as a “maverick.” His path to escape his problems is the sea and sailing to far distant lands. Myasthenia Gravis, a neuromuscular disease, debilitates Ames. Suddenly he looses his ability to preach, to sail, to sing. Now what does God have in store for him? Those who are interested in real life adventures, in mission work, prison ministry, or sailing will find this book entertaining and exciting. Many will find hope in this book for making their own escape from the ghettos of their lives. They also, like the author, can escape.

**The Devil and Daniel Webster**

Violet is in love with River, a stranger renting the guest house behind the mansion where Violet lives, but when grim events begin to happen, Violet recalls her grandmother's warnings about the devil and wonders if River is evil.

**Between the Devil and Desire**

**Between the Devil and the Host**

A comprehensive survey of the acclaimed photographer Pieter Hugo and his mesmerizing work, this book features images from each of his major series throughout his prolific career. Pieter Hugo's images are unflinching and unforgettable. Beginning with -Looking Aside, - his series of portraits of marginalized people, Hugo has striven to capture the African continent with empathy and impartiality. Whether confronting the aftermath of genocide in Rwanda, documenting electrical waste dumps in Ghana, or photographing in Nigeria's dynamic film industry, Nollywood, Hugo treats his subjects with reverence and awe. Including examples of his most recent series taken in the U.S. and China, this book offers stunning reproductions of Hugo's work in color and black-and-white, accompanied by the photographer's personal commentary. Bringing together more than a decade of work that has elicited fulsome praise, this volume lets readers appreciate Pieter Hugo's extraordinary oeuvre.

**Between the Devil and the Sea**

Between the Devil and the Deep Blue Sky is a first-person, narrative non-fiction account of the period the author spent living as a 'dependant spouse' in Baghdad during the final year of the Saddam Hussein regime, and
later as the Australian Broadcasting Corporation's correspondent in post-war Iraq. It's an account of terror, ambition, and betrayal in Iraq, and how she became the main character in a story she never wanted, or expected, to find. The book looks at the challenges and adjustments she had to make when she decided to abandoned her career, albeit temporarily, in order to support her husband in his new job with the United Nations Children's Fund, UNICEF. It also focuses on the friendships forged with ordinary Iraqis, despite the enormous hurdles of almost constant government surveillance and the overwhelming atmosphere of fear and suspicion under Saddam Hussein.

Between the Devil and the Deep Blue Sea

The true story of a retired British army officer's private Somali-hostage rescue mission During the peak of the Somali piracy crisis, three ships — from Malaysia, Thailand and Taiwan — were hijacked and then abandoned to their fate by their employers, who lacked the money to pay ransoms. All would still be there, were it not for Colonel John Steed, a retired British military attaché, who launched his own private mission to free them. At 65, Colonel Steed was hardly an ideal saviour. With no experience in hostage negotiations and no money behind him, he had to raise the ransom cash from scratch, running the operation from his spare room and ferrying million-dollar ransom payments around in the boot of his car. Drawing on first-hand interviews, former chief foreign correspondent of The Sunday Telegraph, Colin Freeman, who has himself spent time held hostage by Somali pirates, takes readers on an inside track into the world of hostage negotiation and one man's heroic rescue mission.

Between the devil & the deep blue sea

The true story of a retired British army officer's private Somali-hostage rescue mission

The Devil and the Dark Water

"Compulsively readable."—New York Times Book Review The extraordinary new thriller from Stuart Turton, author of the bestselling murder mystery The 7 1/2 Deaths of Evelyn Hardcastle, winner of the Costa Best First Novel Award. A murder on the high seas. A remarkable detective duo. A demon who may or may not exist. It’s 1634, and Samuel Pipps, the world’s greatest detective, is being transported to Amsterdam to be executed for a crime he may, or may not, have committed. Traveling with him is his loyal bodyguard, Arent Hayes, who is determined to prove his friend innocent. Among the other guests is Sara Wessel, a noblewoman with a secret. But no sooner is their ship out to sea than devilry begins to blight the voyage. A strange symbol appears on the sail. A dead leper stalks the decks. Livestock dies in the night. And then the passengers hear a terrible voice, whispering to them in the darkness, promising three unholy miracles, followed by a slaughter. First an impossible pursuit. Second an impossible theft. And third an impossible murder. Could a demon be responsible for their misfortunes? With Pipps imprisoned, only Arent and Sara can solve a mystery that stretches back into their past and now threatens to sink the ship, killing everybody on board. For fans of Steven King, The Devil and the Dark Water brings a chilling new spin to the Sherlock Holmes detective duo in a thriller of supernatural horror, occult suspicion, and paranormal mystery on the high seas.
**The Devil and Tom Walker**

This collection of the major writings of American longshoreman-philosopher Eric Hoffer includes the complete text of "The True Believer" and important essays and aphorisms from all of his works.

**Crisis in the World's Fisheries**

This brilliant account of the maritime world of the eighteenth-century reconstructs in detail the social and cultural milieu of Anglo-American seafaring and piracy. Copyright © Libri GmbH. All rights reserved.

**Between the Devil and the Duke**

Between the Devil and the Deep Blue Sea is a visual essay exploring the changing character of a working-class seaside community. The photography explores residents' relationship to the natural environment and an American neighborhood that has become a collision of class.

**Between the Devil and the Deep Blue Sea**

Veteran diver Kelsey Chase leads a mission to locate the underwater caves that link the waters beneath America's Death Valley with the Loch Ness in Scotland, encountering human greed and inhuman power along the way. Original.

**Pieter Hugo**

For over twenty years, an alarming trend has emerged in the world's fisheries: there are too many fishers chasing too few fish. This book provides a broad overview and fundamental reassessment of fisheries management policies around the world.

**Outwitting the Devil**

This book offers unique insights into Islamic law, considering its theoretical perspectives alongside its practical application in daily Muslim life.

**Shake Hands With the Devil**

Covering economic, marketing planning and regulation issues, this book also considers the vital role of marine ecotourism in raising awareness of the significance of the seas and oceans to sustainable coastal livelihoods.

**Between the Devil and the Deep**

In the early 1970s, César Alvarez enlists in the navy to escape a life of crime; while the decision saves him from the streets, it also lands him amid volatile racial tensions at a crucial moment in US history. "Skillfully blending his fictional hero's coming-of-age story with a real-life racial confrontation aboard ship, Carter's tale is a winning combination of military procedural, suspense, and Black history." --Booklist, STARRED
Review "André Lewis Carter weaves a riveting tale about a side of the US Navy we seldom see. Tone-perfect delivery and an inarguably authentic voice mark the debut of a powerful new talent." —David Poyer, author of Violent Peace

"César Alvarez doesn’t know if he deserves a second chance, but he gets one anyway in Between the Devil and the Deep Blue Sea. From the streets of Orlando to the deck of a Vietnam-bound carrier, André Lewis Carter finds ambiguity in moments of conscience, self-preservation, loyalty, and betrayal. This is an outstanding read." —Barbara J. Taylor, author of Sing in the Morning, Cry at Night

The Vietnam War is raging, the US Navy has only recently begun the process of integration, and the country is reeling from racial turmoil and unrest. So why does César, a street-tough kid of Afro-Cuban descent, enlist in the navy? He is on the run from a life of crime and from Mr. Mike, a charismatic, sociopathic gangster who was once a mentor but has now turned on him. Escaping into a navy wrestling with its history of racism and sexism, César soon sees the absurdity of certain prejudices that seem as old as the US Armed Forces. When he is deployed aboard the USS Kitty Hawk, racial tensions are high and are moving quickly toward violence. Through it all, César's ever-growing sense of honor and self-worth force him to make moral decisions he never knew he was capable of. It’s a fortitude he will desperately need.

**Between Debt and the Devil**

London's most notorious rogue—decadent, depraved, forbidden The ladies of the ton won't stop whispering about deliciously wicked Jack Dodger—once a thieving street urchin, now the wealthy owner of London's most exclusive gentleman's club. There's no pleasure he hasn't enjoyed, no debauchery the handsome scoundrel won't provide for the lords who flock to his house of carnal intrigue. London's most virtuous lady—honorable, uncorrupted, and all too human Olivia, Duchess of Lovingdon, would never associate with such a rogue. So when Jack is named sole heir to the duke's personal possessions, the beautiful, well-bred lady is outraged. Now, Olivia is forced to share her beloved home with this despicable man. Caught between the devil and desire But Olivia's icy disdain is no match for Jack's dangerous charm. His touch awakens desire. His kiss demands surrender. She will struggle to bar Jack from her heart . . . but her body, coveting divine release, will not let her bar him from her bed.

**Between the Devil and the Deep Blue Sky**

A gothic thriller romance, set against a creepy summer backdrop. Nothing much exciting rolls through Violet White's sleepy, seaside town . . . until River comes along. River rents the guesthouse behind Violet's crumbling estate, and as eerie, grim things start to happen, Violet begins to wonder about the boy living in her backyard. Is River just a crooked-smiling liar with pretty eyes and a mysterious past? Or could he be something more? Violet's grandmother always warned her about the Devil, but she never said he could be a dark-haired boy who takes naps in the sun, who likes coffee, who kisses you in a cemetery . . . who makes you want to kiss back. Violet’s already so knee-deep in love, she can't see straight. And that’s just how River likes it. With shades of Stephen King and F. Scott Fitzgerald, this is a must-read for fans of Beautiful Creatures, The Unbecoming of Mara Dyer, and Anna Dressed in Blood. “Looking for dark and eerie read? Look no further than April Genevieve Tucholke's YA debut, Between the Devil and the Deep
Blue Sea.” —EntertainmentWeekly.com “Deliciously creepy.” —TheAtlanticWire.com “A stunning debut with complex characters, an atmospheric setting, and a distinct voice... Tucholke has real talent.” —VOYA, starred review

**Between the Devil and the Duke**

‘One of the best accounts ever written of deep-water diving and its staggering, haunting dangers' Robert Kurson, New York Times bestselling author of Shadow Divers Deep underwater lurks a mysterious man-made illness. It has gone by many names over the years - Satan’s disease, diver’s palsy, the chokes - but today, medics call it decompression sickness. You know it as the bends. That’s the devil British diver Martin Robson faces each time he plunges beneath the surface. In the winter of 2012, Robson was part of an expedition to Blue Lake, southern Russia, which sought to find a submerged cave system never seen by the human eye. On the final day of the expedition, as Robson returned from diving deeper into the lake than anyone had before, disaster struck: just seventy-five feet down, he was ambushed by the bends. Robson knew that if he continued up to the surface he would probably die
before help arrived. Instead, he sank back into the water, gambling on an underwater practice most doctors believe is a suicidal act. Soon the only hope he had of saving his life would rest in the hands of a dramatic mercy mission organised at the highest levels of the Russian government. Between the Devil and the Deep is the first book to tell the terrifying true story of what it feels like to get the bends, taking you inside the body and mind of a man who suffered the unthinkable. Writer Mark Cowan also explores the grimly fascinating history of decompression sickness, the science behind what causes the disease, and the stories of the forgotten divers who pushed the limits of physical endurance to help find a solution.

**Between the Devil and the Deep Blue Sea**

She might look like an angel . . . The moment orphaned American heiress Titania "Tansy" Danforth arrives on English shores she cuts a swath through Sussex, enslaving hearts and stealing beaux. She knows she’s destined for a spectacular titled marriage—but the only man who fascinates her couldn’t be more infamous . . . or less interested. But it takes a devil to know one . . . A hardened veteran of war and inveterate rogue, Ian Eversea keeps women enthralled, his heart guarded and his options open: why should he succumb to the shackles of marriage when devasting good looks and Eversea charm make seduction so easy? And Heaven has never been hotter! When Ian is forced to call her on her game, he never dreams the unmasked Tansy—vulnerable, brave, achingly sensual—will tempt him beyond endurance. And fight as he will, this notorious bachelor who stood down enemies on a battlefield might finally surrender his heart . . . and be brought to his knees by love.

**Between the Devil and the Deep Blue Sea**

"STARTLING . . . FIENDISH . . . MEMNOCH’S TALE IS COMPELLING." --New York Daily News "Like Interview with the Vampire, Memnoch has a half-maddened, fever-pitch intensity. . . . Narrated by Rice's most cherished character, the vampire Lestat, Memnoch tells a tale as old as Scripture's legends and as modern as today's religious strife." --Rolling Stone "SENSUAL . . . BOLD, FAST-PACED." --USA Today "Rice has penned an ambitious close to this long-running series. . . . Fans will no doubt devour this." --The Washington Post Book World "MEMNOCH THE DEVIL OFFERS PASSAGES OF POETIC BRILLIANCE." --Playboy "[MEMNOCH] is one of Rice's most intriguing and sympathetic characters to date. . . . Rice ups the ante, taking Lestat where few writers have ventured: into heaven and hell itself. She carries it off in top form."

**Anthropology and Law**

For the first time in English, Michael Ostling tells the story of the imagined Polish witches, showing how ordinary peasant-women got caught in webs of suspicion and accusation, finally confessing under torture to the most heinous of crimes.

**Marine Ecotourism**

An introduction to the anthropology of law that explores the connections between law, politics, and technology. From legal responsibility for genocide to rectifying past injuries to indigenous people, the anthropology
of law addresses some of the crucial ethical issues of our day. Over the past twenty-five years, anthropologists have studied how new forms of law have reshaped important questions of citizenship, biotechnology, and rights movements, among many others. Meanwhile, the rise of international law and transitional justice has posed new ethical and intellectual challenges to anthropologists. Anthropology and Law provides a comprehensive overview of the anthropology of law in the post–Cold War era. Mark Goodale introduces the central problems of the field and builds on the legacy of its intellectual history, while a foreword by Sally Engle Merry highlights the challenges of using the law to seek justice on an international scale. The book’s chapters cover a range of intersecting areas including language and law, history, regulation, indigenous rights, and gender. For a complete understanding of the consequential ways in which anthropologists have studied, interacted with, and critiqued, the ways and means of law, Anthropology and Law is required reading.
