An outstanding book." -The Wall Street Journal "Gripping at every turn." -Outside "A hell of a ride." -The Times (London) An extraordinary true story about one man’s attempt to solve the wounds of war and save his own soul through an audacious adventure. In the 1930s, as official government expeditions set their sights on conquering Mount Everest, a little-known World War I veteran named Maurice Wilson decides to stay away. Of course, he will fly a plane from England to Everest, crash-land on its lower slopes, then become the first person to reach its summit—completely alone. Wilson doesn’t know how to climb. He barely knows how to fly. But he has the right plane, the right equipment, and a deep yearning to achieve his goal. In 1933, he takes off from London in a Gipsy Moth biplane with his course set for the highest mountain on earth. Wilson’s eleven-month journey to Everest is wild: full of twists, turns, and daring. Eventually, in disguise, he sneaks into Tibet just his icicle ordeal is just beginning. Wilson is one of the great War’s heroes, but also one of its villains. His hometown of Bradford in northern England is ripped apart by the fighting. So is his family. He barely survives the war himself. In the end, it is the conflict that ensnips him. He makes a life for himself 12 years later in a land much like the world, burning through marriages and relationships, leaving damaged lives in his wake. When he finally returns to England, nearly a decade after he first left, he finds himself falling in love once more—this time with his best friend’s wife—before depression overtakes him again. He escapes on a crystal ball to stand on one of the world. Wilson’s journey is one of redemption and of the hopes that he can redeem him. This is the "rollicking" (The Economist) tale of an adventurer unlike any you have ever encountered: complex, driven, wry, haunted, and fully alive. He is a man written out of the history books—dismissed as an eccentric and gossiped about because of rumors of his homosexuality. His story restores Maurice Wilson’s rightful place in the annals of Everest and tells an unforgettable story about the power of the human spirit in the face of adversity.
